-A \$1 per pound recycling fee is being charged for all small household, rechargeable and power unit batteries. These batteries will be weighed at the event to determine the recycling fee amount due. Large lead-acid batteries will be accepted for free.

-Electronics with a screen of any kind will be collected for a \$25 fee per item. This would include computer monitors/screens, laptops, and all types of televisions.

-Large household appliances will be accepted for \$10 each and include refrigerators, washers, dryers, stoves, air conditioners, dehumidifiers, microwaves, etc.

-Compact and large fluorescent bulbs will also be accepted with CFL and bulbs under 5 feet costing \$1.00 each and larger fluorescent bulbs costing \$2.00 each.

-Free recycling categories include most small electronic items such as computer towers, VCRs, DVD players, printers, keyboards, mice, cables, phones, radios, copiers, cell phones, and more. Small household appliances are also accepted at no charge including vacuums, coffee makers, toasters, small saws, drills, holiday lights, hair dryers, and more.

-Small and Large metal items are eligible for drop off for free including bicycles, swing sets, metal shelving, metal cabinets, lawn and garden tractors, lawn mowers, metal furniture, outdoor grills and more.
